

HARD ARMOR PLATES

PACA offers several types of Hard Armor Plates capable of defeating high-powered Level III & IV rifle rounds either in combination with PACA's Level IIIA certified soft body armor systems or as a stand-alone. These plates are available in a choice of two shapes (full-size or shooter's cut) to meet your individual needs for comfort and function. Additional options include the choice of ultra-light polyethylene or ceramic plates which will affect weight and thinness. Refer to the table for specific sizes and additional information. PACA hard armor plates fit all PACA tactical body armor systems.
